

BEEP -- BEEP!! NOW YOU TOO CAN OWN ANY VEHICLE THAT YOU DESIRE and OH WHAT A JOY!!

THE EXOTIC SPORTS CAR GIFT EXCHANGE PROGRAM.

If YOU are the average American citizen, 1 who is NOT fortunate enough to be in the top 1% of income earners, YOU are more than likely to NEVER have the opportunity to drive and own the vehicle of YOUR choice -- until NOW!!! Most of us are simply satisfied to just have a vehicle that is capable of taking us where we are trying to go.

Welcome to the "EXOTIC SPORTS CAR GIFT EXCHANGE PROGRAM."

1st, to become a participant, send \$15.00 (cash) to each of the participant's listed below with a simple note informing each participant that YOU want them to use the gift of \$15.00 (cash) to help assist them in the purchase of a vehicle of their choice. When this step has been completed, you will receive a copy of this document with YOUR name in the #1 position. Now, the participant who is in the #1 position will have their name moved down to the #2 position and so on. Undoubtedly, the participant who is now in the #5 position, their name will be removed and that participant is now in the vehicle of their choice. As soon as YOU receive YOUR copy with YOUR name in the #1 position, mail out at least 20 copies. Using this as an example -- not actually implied income -- YOUR outcome/results will vary!!! Let's say that out of the 20 copies that YOU send out, 8 people respond to YOU, thus YOU receiving 8 gifts @ \$15.00. And in return, 8 more respond to that and this course of action continues until your name reaches the #5 position at which point YOU will have received 9362 gifts @ \$15.00, that's \$140,430.00. As a side note, this (all cash) program will have YOU spending quite a bit on envelopes, postage stamps, lead names and mail outs. A nice amount. For a less costly and strenuous approach to this program, for an additional \$2.00, sent to the participant in the #1 position, that participant will send to YOU, a list of 12 currently active, dependable, reliable, print and mail service companies that print and mail 400 to 5000 pieces routinely. One company mails out 400 pieces per week via 1st class mail. Another company mails out 5000 pieces per month via bulk mail. Cost and price of the various services are provided on the list. The list is concise and very informative.

To verify that all of the participant's are following the instruction of this (all cash) program correctly, 1 of the participant's is the monitor. It is the assignment of the monitor to ensure the integrity of this program and to also ensure that ALL of the participant's are eligible to receive their gifts. When the monitor receives YOUR gift of \$15.00, that person will then mail to YOU, a copy of this program. Once YOU receive YOUR copy of the program, please follow the detailed instructions. PLEASE, do not miss YOUR opportunity to become a participant in this very unique (all cash) program.

Just A Reminder: Send a gift of \$15.00 (cash), a completed copy of this document along with a note to each participant listed below. The monitor will ensure the integrity of this program and to also make sure that ALL of the participants are eligible to receive their gifts.
