A Buck At A Time

Most would agree that a Dollar doesn't buy much these days. But if you use the power of multiplication, you can accumulate a hefty sum of cash in no time at all. It is a simple concept used by most programs that promise you riches with little or no effort on your part. But the fact is, you won't get rich, and it will take a modest effort.

Here is how it works: Start by making copies of this flyer. You will need one copy for each name on the list below plus one extra copy for the monitor. You might also want to keep a copy for your records. Then, wrap a dollar bill in each flyer and send one to each name on the list. Next, follow the instructions on sending a copy to the monitor. The first part of your work is now done.

Once the monitor receives your flyer and fee, he will send you a fresh copy of this flyer with your name in the number one position. You then make copies and send them out to others who might be interested in participating in this money building venture. The more people you sign up, the better chance of bigger earnings.

Using the power of multiplication, imagine what happens when 3 people (for example) joins from a flyer you sent them. Each sends you a dollar bill. They in turn receive a copy of this flyer with your name advanced a space. They each get three replies from their flyers. That mean 9 new people each will be sending you a dollar bill. Now, the next level kicks in. Three more people from each of the 9. That's 27 more dollars coming your way. Next level brings you 81 dollars. Then, 243. Then 729 dollars. Next level: \$2187. Then \$6561. This is getting ridiculously good!! Finish up the math and see just what happens!! All from a very modest investment in time and money. Now we can't promise it will happen just like this example, but it could. It depends on the effort everyone puts into this.
