

Turn Your "Junk Mail" Into \$2,000 Cash ...

Don't laugh, and don't throw away your junk mail - It's worth thousands of dollars!! You could be collecting up to \$500 or more simply by filling out a form and putting it in the mail

Imagine making \$500 a week - \$26,000 a year off that darn mail the clutters your mailbox! Almost nobody likes junk mail, and you cannot seem to stop it. A few smart folks have learned the inside secrets of turning their junk mail into cash.

Even if you receive a few pieces per day, I'll show you how quickly and easily convert it into CASH!

How Much Is Your Junk Mail Worth?

I have personally received up to \$1,000 from one piece of junk mail. An average junk mail letter brings me \$10. If you get 10 pieces of junk mail a week, you could get back \$100 a week. 20 to 100 pieces might bring you \$200 to \$1,000 next week!

To be honest, some pieces of junk mail may not be worth anything. Junk mail chain letters and offers could be worth \$10 to \$1,000 or even thousands of dollars!

One person listed below made \$10,000 in 6 weeks!

TESTIMONIALS

"Just one piece of junk mail has brought me in \$10,000 in 6 weeks! \$2,700 weekly is still flooding in! I made \$125,000 with your idea!" S.L.P. - Wabash, IN

"Using your basic plan I've become one of the largest firms in Southern California! My gross income was in the 6-digits last year!" C. Smith - Santa Ana, CA

"Absolutely the fastest, simplest and most effective money making system I've seen! I've made thousands at it already with your help!" D.M. - Brooklyn, NY

You Can Do This!

It is that simple and easy. After all, I flunked the 6th grade. Then, I failed at five businesses. Things have really turned around for me. Last month, I banked over \$19,000, and I'm just getting started.

Next month, I'm buying a Lincoln MKC Primer for \$35,615. All this from my "Junk Mail" business. By the way, I like getting mail and no longer consider it junk.

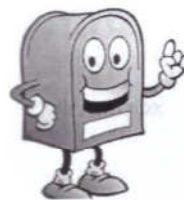

To give you an idea of how profitable the "Junk Mail" business has been to me, I've listed my bank deposits for the past few months below:

November - \$15,356 • December - \$9,723

January - \$13,010 • February - \$19,541
